

# HMSE 1235

## Petrol chain saw

Bauhaus art.no.: 25256958

Einhell art.no.: 45.018.65

Bar Code: 4006825619317

The HMSE 1235 petrol chainsaw from Hurricane is equipped with an OREGON quality guide bar. An air-cooled 2-stroke engine with ball bearings at both ends of the crankshaft delivers plenty of power. An anti-vibration feature reduces body stress and fatigue. Primer and auto choke eliminate cold start problems. Digital ignition ensures a stable operation of the engine. Kickback protection with an instant-reaction chain brake, a chain catch and a large stop claw made of metal all contribute to safety during use. The automatic chain lubrication system supplies the chain with sufficient chain oil. Complete with cutter rail guard and a petrol/oil mixing bottle.

## Technical Data

Engine	Two-stroke, air cooled
Engine displacement	37.2 cm <sup>3</sup>
Power	1.2 kW
Max. speed	11,500 min <sup>-1</sup>
Capacity of fuel tank	170 ml
Sword length	355 mm
Cutting length	34.5 cm
Cutting speed	21.9 m/s

## Features

- OREGON high-quality rail and chain
- Auto-choke and Primer for a fast start
- Digital ignition - stable engine run
- Anti-Vibrations handle - cushion shocks and reduces user fatigues
- Big metal claw
- Kickback protection with instant chain brake
- Automatic lubrication of the chain
- Chain catch – reduces the risks when the chain jumps off
- Petrol/oil mixing bottle
- Cutter guard
